About Imperial College Business School

Imperial College Business School inspires the best minds to become future business leaders. As part of Imperial College London, a global leader in science and technology, we drive business advantage through the fusion of business and technology and an entrepreneurial mind-set. We combine innovative thinking and insight with new technology to develop practical solutions to real world issues, benefiting business and improving society.

Situated in London, one of the world’s most important financial and cultural centres, the Business School has access to industry experts and the direct experience of major corporates, consultancies, investment banks, venture capitalists and public sector organisations, which all help to make our teaching and research practical and relevant.
